or supporting documentation of the actual transportation rate.

*United States* means the 50 States of the United States of America, the District of Columbia, the Commonwealths of Puerto Rico and the Northern Mariana Islands, and any other territory or possession of the United States.

*Verifiable records* means evidence that is used to substantiate the amount of eligible reimbursements by geographically disadvantaged farmers and ranchers in an agricultural operation that can be verified by FSA through an independent source.

### § 755.3 Time and method of application.

(a) To be eligible for payment, producers must obtain and submit a completed application for payment and meet other eligibility requirements specified in this part. Producers may obtain an application in person, by mail, or by facsimile from any county FSA office. In addition, producers may download a copy of the application at <http://www.sc.egov.usda.gov>.

(b) An application for payment must be submitted on a completed application form. Applications and any other supporting documentation must be submitted to the FSA county office serving the county where the agricultural operation is located, but, in any case, must be received by the FSA county office by the close of business on the last day of the application period established by the Deputy Administrator.

(c) All producers who incurred transportation costs for eligible reimbursements and who share in the risk of an agricultural operation must certify to the information on the application before the application will be considered complete. FSA may require the producer to provide documentation to support all verifiable records.

(d) Each producer requesting payment under this part must certify to the accuracy and truthfulness of the information provided in their application and any supporting documentation. All information provided is subject to verification by FSA. Refusal to allow FSA or any other agency of the Department of Agriculture to verify any information provided will result in

a denial of eligibility. Furnishing the information is voluntary; however, without it program benefits will not be approved. Providing a false certification to the Federal Government may be punishable by imprisonment, fines and other penalties or sanctions.

(e) To ensure all producers are provided an opportunity to submit actual costs for reimbursement at the actual cost rate, applicants will have 30 days after the end of the FY to provide supporting documentation of actual transportation costs to the FSA County Office. The actual costs documented in supporting documentation will override previously reported costs of eligible reimbursable costs at the fixed or set rate made during the application period.

(f) If verifiable records are not provided to FSA, the producer will be ineligible for payment.

(g) If supporting documentation is provided within 30 days after the end of the FY, but an application was not submitted to the applicable FSA County Office before the end of the application period, the producer is not eligible for payment.

(h) Producers who submit applications after the application period are not entitled to any payment consideration or determination of eligibility. Regardless of the reason why an application is not submitted to or received by FSA, any application received after the close of business on such date will not be eligible for benefits under this program.
